Contemporary Keyboard Studios Festival

Save the date: Sunday, April 26, 2009 at CK Studios

You are invited to attend and perform at Contemporary Keyboard Studios' Spring Festival. Students have the opportunity to perform two contrasting pieces for a teacher.

Each participant will receive a written evaluation and goodies for participating. Participants will also get to enjoy public recognition (medal and certificate) at the June recitals.

This is a wonderful opportunity for children of all ages and levels.

Applications will be available at the beginning of April. More details will follow in the coming months.

Spring Festival Updates

The Spring Festival will be held at Oakton H.S., March 20-22.

Elaine will receive a schedule with specific times approximately 1 week before the festival. You will receive a map and instructions at that time.

Be sure to bring original documentation of the pieces that you will be performing - No xerox copies are allowed!
